## NEW STORE

We'll have a dozen of these, please!

## Get stuck in at Krispy Kreme

■ Bath is being treated to its very own Krispy Kreme store on 27

September, when a brand new coffee bar opens in SouthGate.

The world-famous doughnut maker is set to delight residents with the new coffee bar, which will be provided daily with fresh doughnuts from the Bristol store.

Customers will be spoilt for choice with Krispy Kreme's signature Original Glazed® doughnut and 16 other delicious doughnut varieties on offer including the Chocolate Dreamcake, Raspberry Glazed and Chocolate Sprinkles, beautifully presented in the iconic doty box. Accompanied by Krispy Kreme's range of coffee, made from their unique blend of beans, the new coffee bar will have treats for everyone.

Katjo de Souza, head of marketing at Krispy Kreme, said:

"Bath is a fantastic city and we are really excited to bring Krispy Kreme to SouthGate. The Hotlight store in Bristol has been a great success, and with the public demand for Krispy Kreme so high in Bath, we hope to see the same great reception!"

But if you can't wait that long, you'll be pleased to hear that Krispy Kreme teams will be on the streets of Bath offering delicious doughnuts to lucky passers-by in the run-up to their opening.

Traditionally, Krispy Kremes are sold in dozens – a treat to be shared and enjoyed with your friends and colleagues. This is a fact you should frequently drop into conversation around the office! Hint hint.

## THE EASTERN EYE WINS AGAIN

■ Bath's much-lauded Indian restaurant, The Eastern Eye received yet another accolade last month when it was named the South West regional winner of Restaurant of the Year at the hungryhouse.co.uk English Curry Awards.

Held at the Sheridan Suite in Manchester, the awards are completely devoted to England's love of curry.

More than 700 guests attended the occasion, where they lunched into the much-talked-about dish and enjoyed spirited entertainment in the form of modern-traditional Indian dance.

The official charity partner for the hungryhouse.co.uk English Curry Awards 2011, the Association for Spina Bifida and Hydrocephalus (ASSAH) assists over 400 new individuals and families dealing with the effects of spina bifida and hydrocephalus a year. They rely on charitable donations to continue providing support and help.
