

THE GRAND EASTERN

ALLERGY INFORMATION AND DIETARY GUIDE

Allergens Note :

Every dish in The Grand Eastern is prepared in a kitchen that handle allergens. If you have a food allergy, intolerance or sensitivity, please let your server know each time you visit, before you order. The manager on duty will personally take and deliver your order, whilst the chef on duty will personally prepare your food as you require. This may mean that your meal may take a little longer than normal to prepare.

Whilst we take serious care to prevent cross-contamination, please note, we cannot guarantee that your dish will be free from allergenic ingredients, as dishes are prepared in areas where these ingredients are present.

Similarly, many of our ingredients (Garam Masalla Powder, Black Pepper etc) have an allergy note on their packaging highlighting they *may* contain, or were packed in a factory that handles other allergens (*grey ticks on our chart*), not necessarily that they definitely *do* contain said allergens, hence a potential for trace amounts, down to customer discretion in risk. Red ticks on the chart denote allergenic ingredients which are actually *directly* used or added in the dishes.

Delivery and Collection Orders : Please note that if you have an allergy, call us with the order number and speak to the manager on duty as soon as you place the order, to ensure we prepare your food as required.
